REV. DRIVER'S LECTURE.

Second Number of the Epworth League Course Next Monday Night, January 2.

Rev. Ira D. Driver of Eugene, one of the most prominent lecturers of the Pacific coast, will deliver the second of the course of lectures arranged by the Epworth League, in this city next Monday night, January 2, at the M. E. church.

The subject of the lecture will be, "What Made the Yankee, and the Origin of American Institutions," and it is the same lecture delivered by Rev. Driver before 126 American and six European colleges in a lecture tour just completed by him.

Aside from being a first-class speaker and a humorous and original thinker, Rev. Driver is one of the most unique and attractive preachers on the Pacific coast. He is an Oregon pioneer and has preached in the Willamette valley under strenuous circumstances in the early days.

When Driver first began to preach in Lane county, the "Long Tom" neighborhood, near Eugene, where Joaquin Miller gained part of his reputation as a "bad man," was filled up with men of the Hank Vaughan type, who "shot up" the towns occasionally. Driver's escapades with the "Long Tom" desperadoes are num-

ous and thrilling, but he always won in the end.

Those who have gone home for the vacation, are as follows: Miss Purrott, to Roseburg; Miss Elton, to The Dalles; Miss White, to Hood River; Miss Wood and Miss Willis, to Weston; Miss Lingenfelder to Boise City; Miss Marris and Mrs. Ivanhoe to La Grande, and Prof. George W. Eyre, to Dayton.

The only teacher of Pendleton academy out of town for the holiday is Prof. Albert Gibbons, who is visiting at North Powder.

The December Ilakawinn.

The December number of the Ilakawinn, the high school paper which is just issued from the press of the East Oregonian, is a creditable number, reflecting great credit upon its editors and business managers, all of whom are members of the high school grades. The Ilakawinn is one of the very best school papers published in the West.

Travel Is Light.

Trains in all directions are now experiencing a dearth of travel. Very few through passengers are on the trains and the local business is unusually light for the holiday season.

Notable men and women from all parts of the world, exponents of many creeds and beliefs, will deliver addresses at the exposition. Famous exponents of Buddhism, Mohammedanism and the religion of Confucius will be among these.

DYSPEPSIA

"Having taken your wonderful 'Cascarets' for three months and being entirely cured of stomach trouble and dyspepsia, I think a word of praise is due to 'Cascarets' for their wonderful composition. I have taken numerous other so-called remedies but without avail and I feel that Cascarets relieve more in a day than all the others I have taken in a year."

GEESSE BLINDED BY HEADLIGHT

O. R. & N. TRAIN STRIKES A

FLOCK ON MAXWELL HILL.

Air Seemed to Be Filled With Bewildered Geese, Which Were Blinded and Added by the Flare of the Electric Headlight—Three That Flew Into the Cab Were Killed By the Fireman—Beat Against Cab Windows Furiously.

While coming over Maxwell Hill, three miles west of Foster, about 3 o'clock this morning, an eastbound O. R. & N. freight train came in contact with a large flock of geese which was flying in a dense fog, and which was attracted by the glare of the electric headlight.

The bewildered geese flew against the cab windows, flopping along the ground, in terror and dashed against the boiler of the engine, until the engineer thought they would beat the windows out of the cab and break the headlight glass.

The fog seemed to bewilder the geese at first, and they were flying very close to the ground, and when the glare of the headlight struck them they began circling and wheeling in their course and seemed blinded so they could not get away from the light.

The engine crew said there seemed to be a thousand of them, so thick were they on the ground on either side of the train. Each one seemed to be flopping hardest and "honking" loudest, and for a time it looked as if the air was full of geese.

Three flew into the cab and were seized by the fireman, who wrung their necks and took them to La Grande for a New Year's feast. Several went under the engine and cars, but the boys on the train could not see after the train passed over, whether they were killed or not, as the train was not stopped.

Several years ago a large flock of geese became bewildered in a storm. In about the same manner, at La Grande, and dozens were killed with clubs as they flopped along on the ground and in the air just a few feet above the ground.

BURT NOT IN RUSSIAN SERVICE.

Ex-President of the Union Pacific Is Now Ill in a Calcutta Hospital.

A special from Omaha to the Oregon Daily Journal says that ex-President Horace G. Burt, of the Union Pacific, is now seriously ill in a hospital at Calcutta, India.

He went to Manchuria to take charge of construction of the Siberian road around Lake Balkal, for the Russian government, but did not take the position. He is accompanied by his wife and is continuing around the world, on his way home to Omaha.

Burt left the Union Pacific, it is alleged, because of the dissatisfaction of the employees, with his rigid and unreasonable policies in the management of the system.

Fed Boise's Poor.

The Salvation Army distributed its Christmas dinner for the poor of the city yesterday and there are today scores of homes in the capital city, whose inmates are thankful to the Army for many of the joys of what will prove a very happy Christmas, despite adverse circumstances. A total of 125 baskets were distributed about the city, some families receiving a single basket and others, where the members were more numerous, getting two. In addition to the dinners, 306 children have been supplied with toys by the Army, which found a total of 720 cases of deserving poor, including men, women and children. —Boise Statesman.

A Game Little Fight.

The fight will be put off at the Fraser theater next Friday evening. Queenan fought at Vancouver, B. C., Christmas eve and is expected in this city tomorrow. King has arranged for a contest in Walla Walla between Jack Reilly and Jerry McCarty. The date of the go has not been announced.

Thousands Have Kidney

Trouble and Never Suspect it.

How To Find Out.

Fill a bottle or common glass with your water and let it stand twenty-four hours; sediment or settling indicates an unhealthy condition of the kidneys; if it stains your linen it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is also convincing proof that the kidneys and bladder are out of order.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in fifty-cent and one-dollar sizes.

You may have a sample bottle and a book that tells all about it, both sent free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention this paper and don't make any mistake, but remember the name, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y.
